So Proudly We Hail . . .

SALEM SENIOR HIGH SCHOOL.

We honor our high school,
 We sing of its praise,
 With courage united
 Our colors high are raised.
 We all love it dearly,
 Our Alma Mater true,
 We'll cherish its memories
 Our whole life through,
 We'll cherish its memories
 Our whole life through . . .

So Proudly We Hail . . .

our students, for without them,
Salem High School is nothing.
Students are enthusiastic, rowdy,
joyful, silly, proud, anxious,
loud, mischievous, restless, full
of anticipation . . .

So Proudly We Hail . . .

our teachers, because they try to
motivate students so that they
will have a deeper desire to learn
and grow. Teachers are patient,
sensitive, demanding,
concerned, dedicated, helpful,
critical, wise . . .

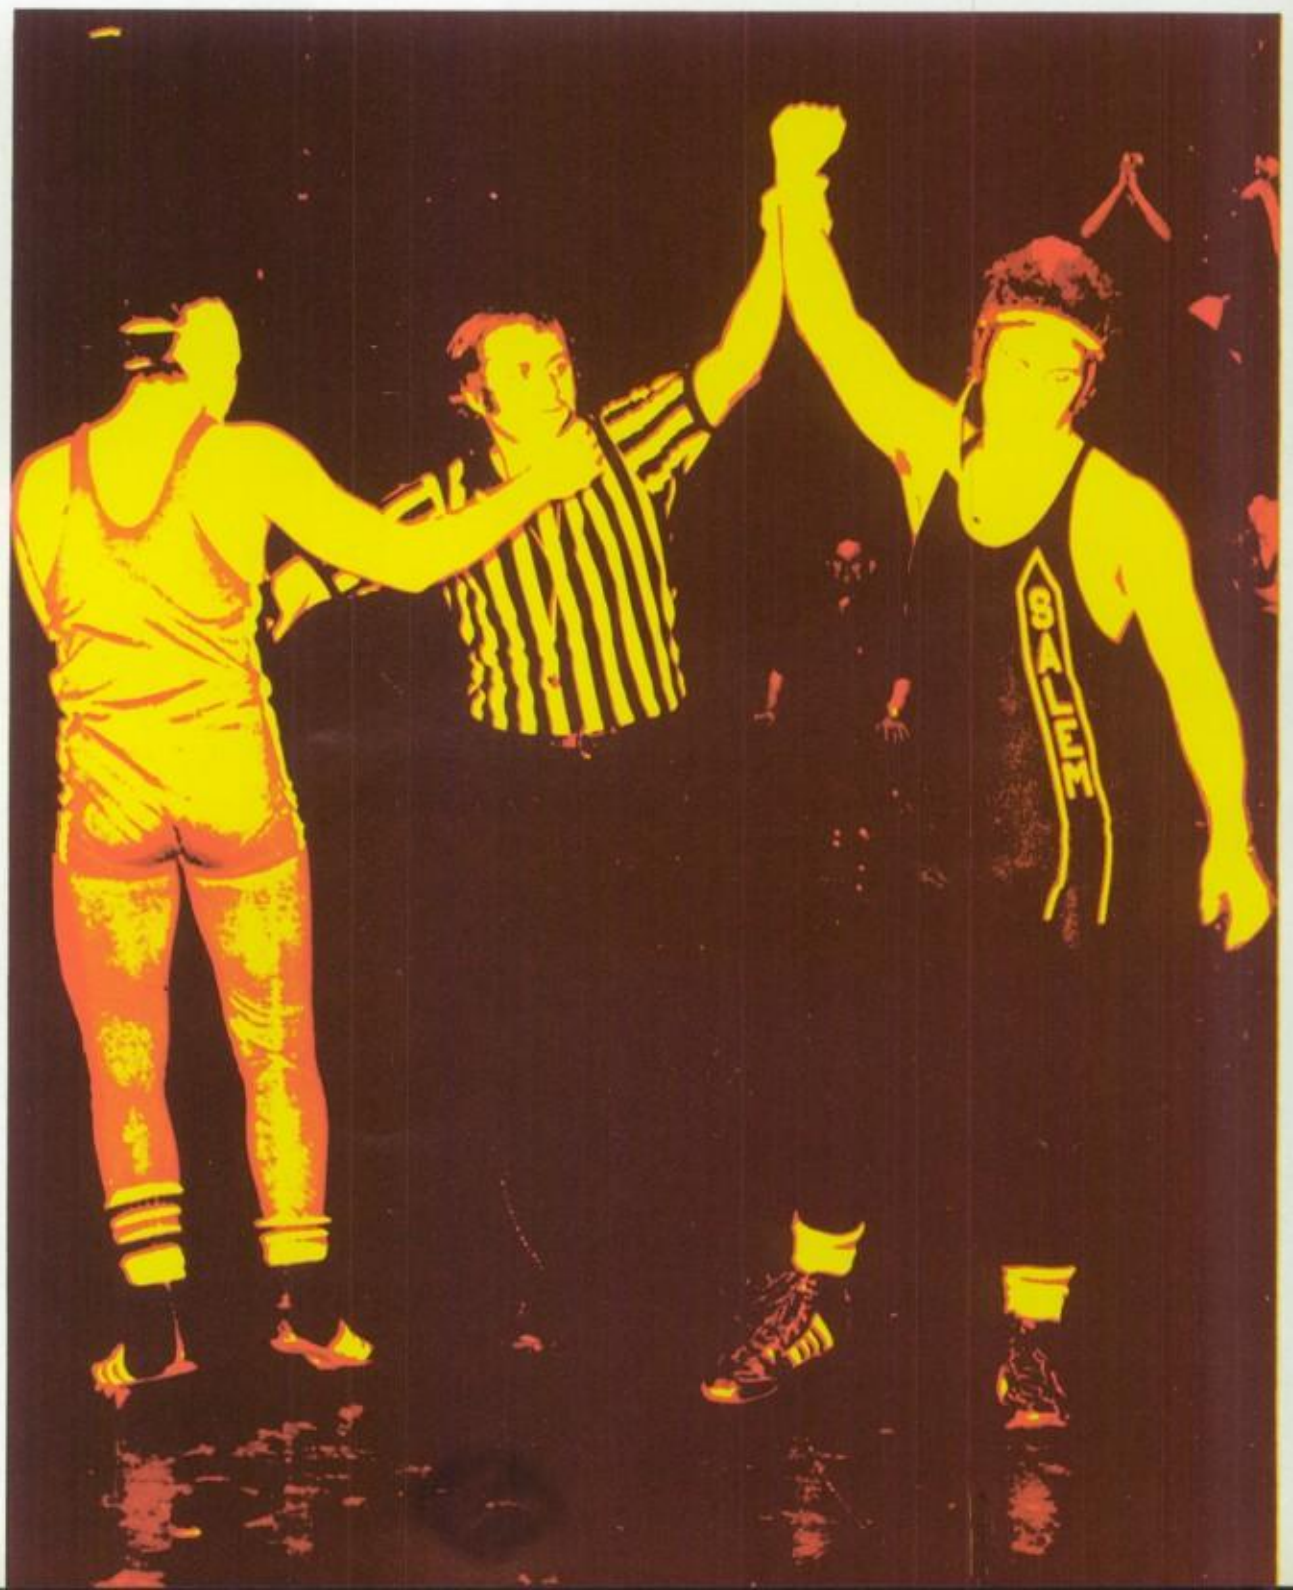

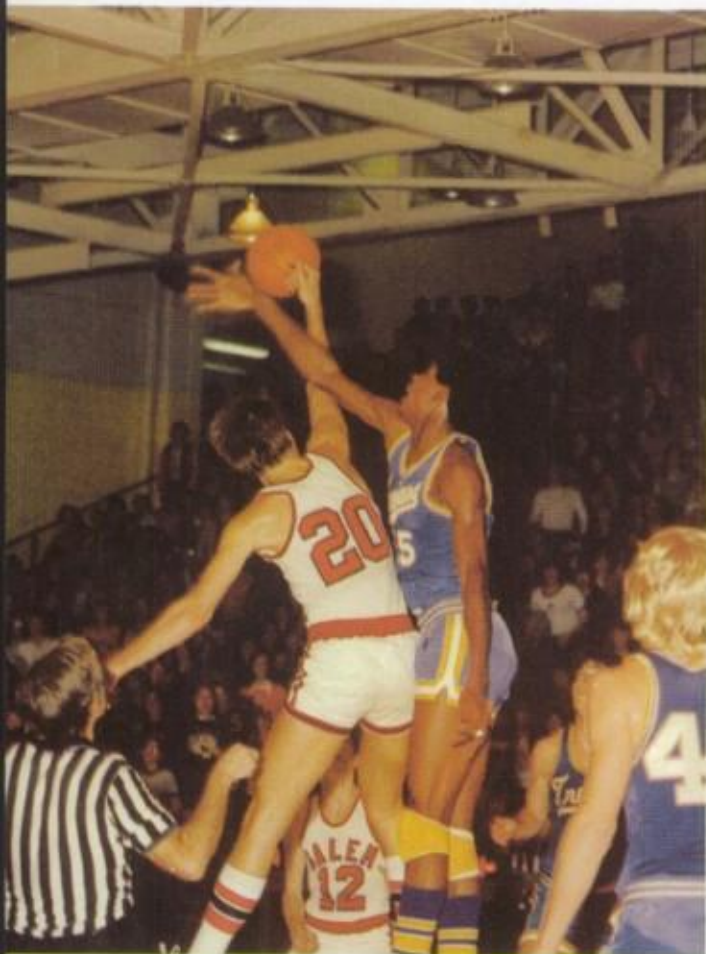

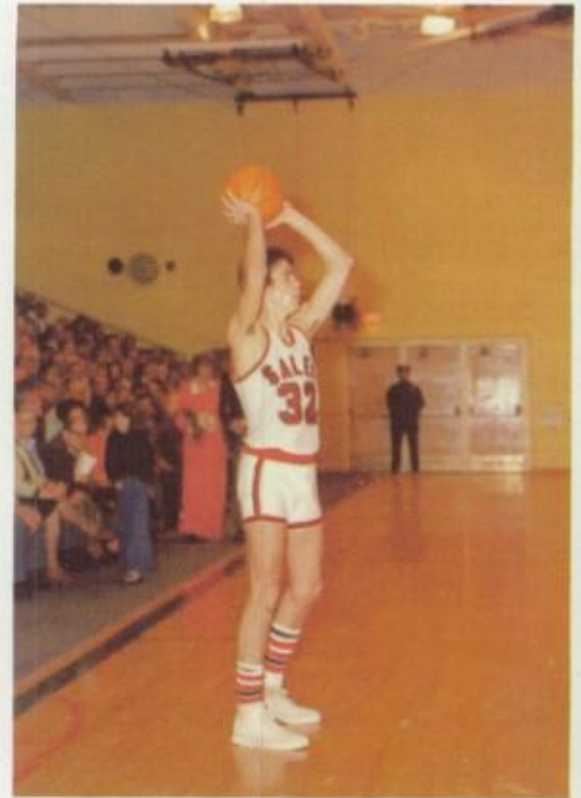

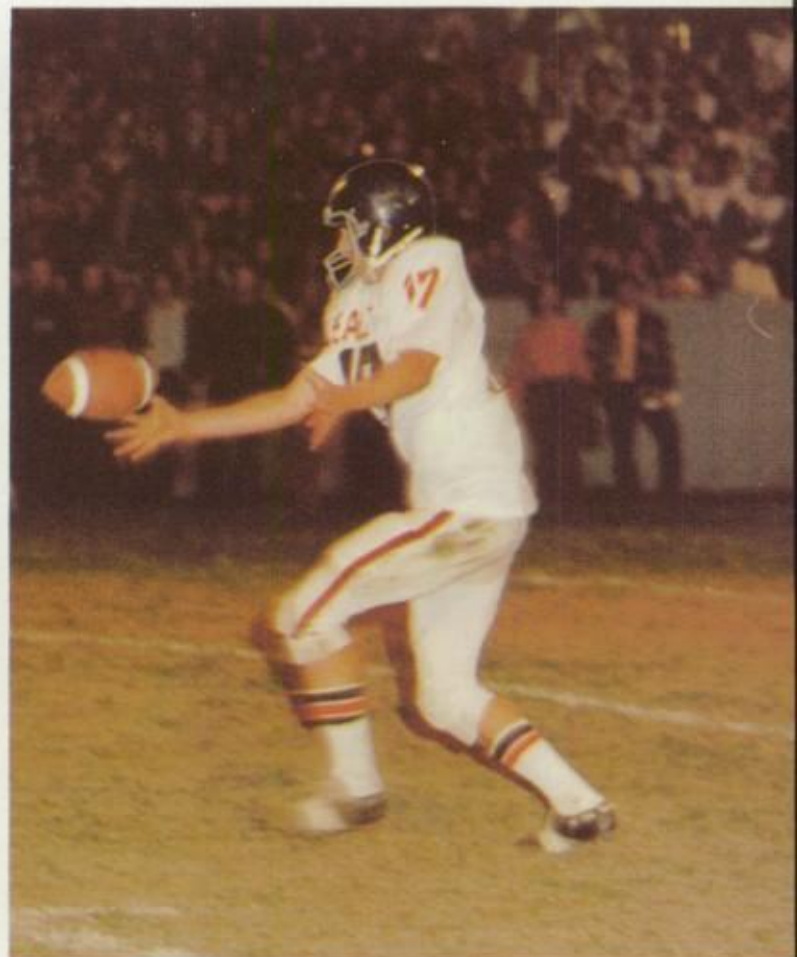

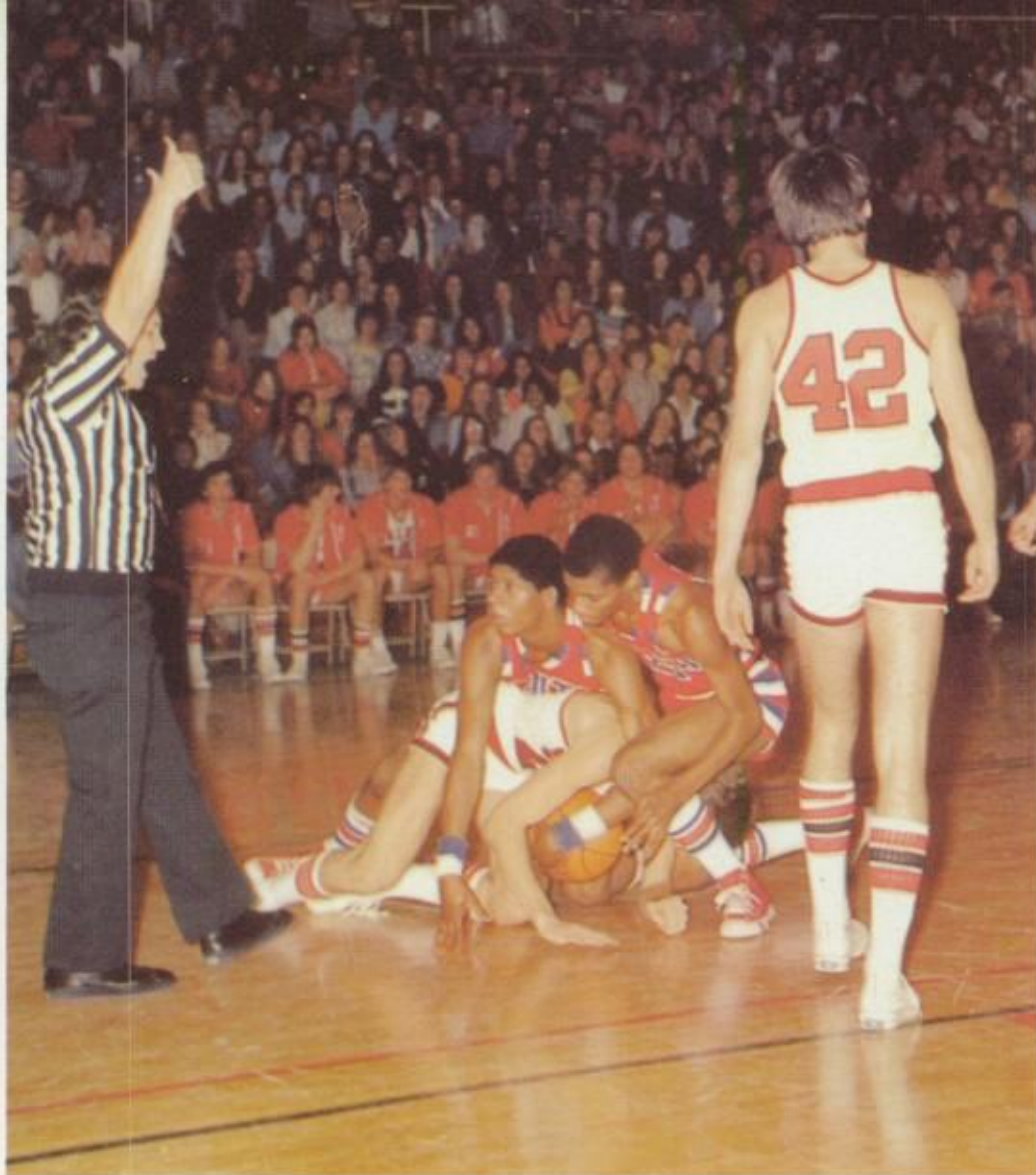

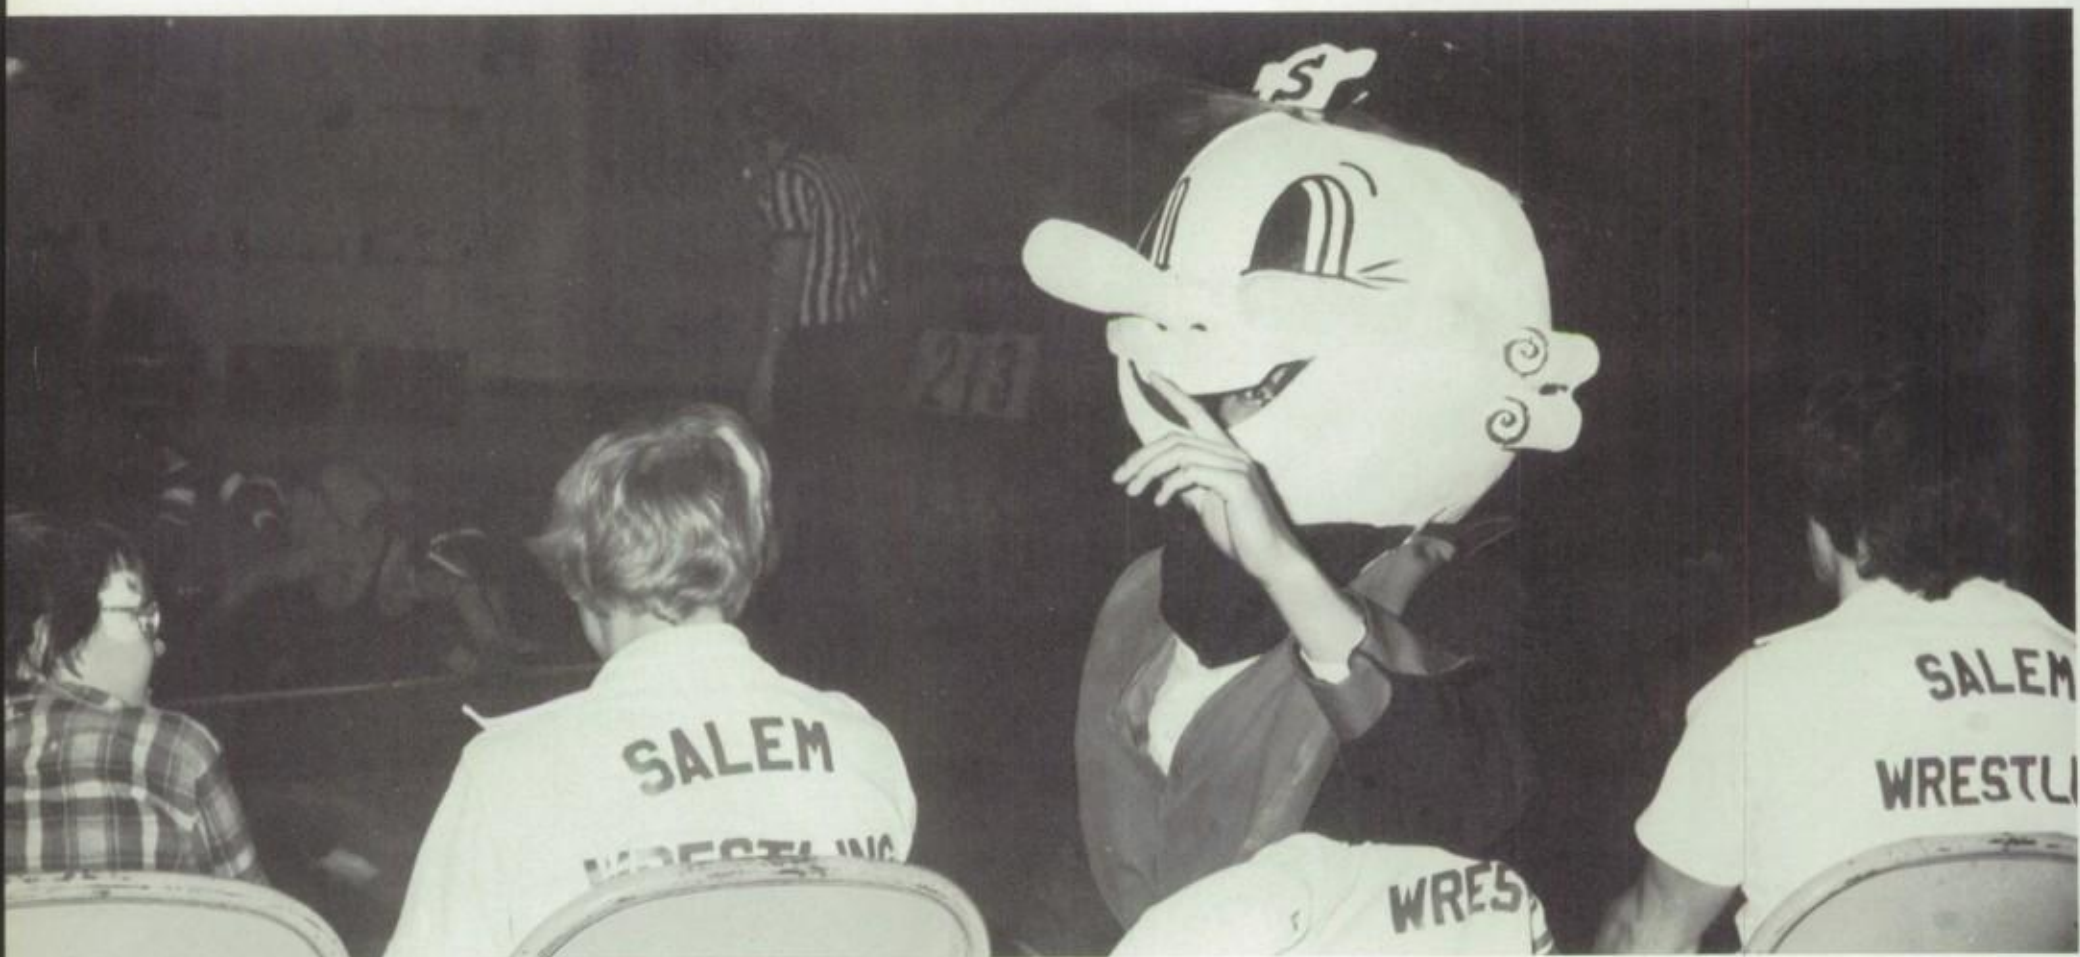

So Proudly We Hail . . .

our athletes, because they
represent the Quaker spirit.

Athletes are persevering,
disciplined, spirited,
dedicated, energetic,
enthusiastic, proud,
frustrated, hopeful,
determined . . .

So Proudly We Hail . . .

Quaker Sam, because he added a needed spark to the spirit of our fans and brought back another Quaker tradition. Quaker Sam was amusing, spirited, proud, energetic, friendly, loyal, exuberant, witty, devoted . . .

So Proudly We Hail . . .

our organizations, because they
care enough to get involved.
Organizations are inspired, active,
concerned, hard-working,
involved, confident, striving,
doing, caring, creating . . .

So Proudly We Hail . . .

friends, because they are an important part in everyone's world. One of the greatest things to remember about our high school years will be the moments we have shared with our friends.

Friends are comforting, encouraging, kind, sharing, understanding, patient, reassuring, accepting, warm, true, trusting . . .

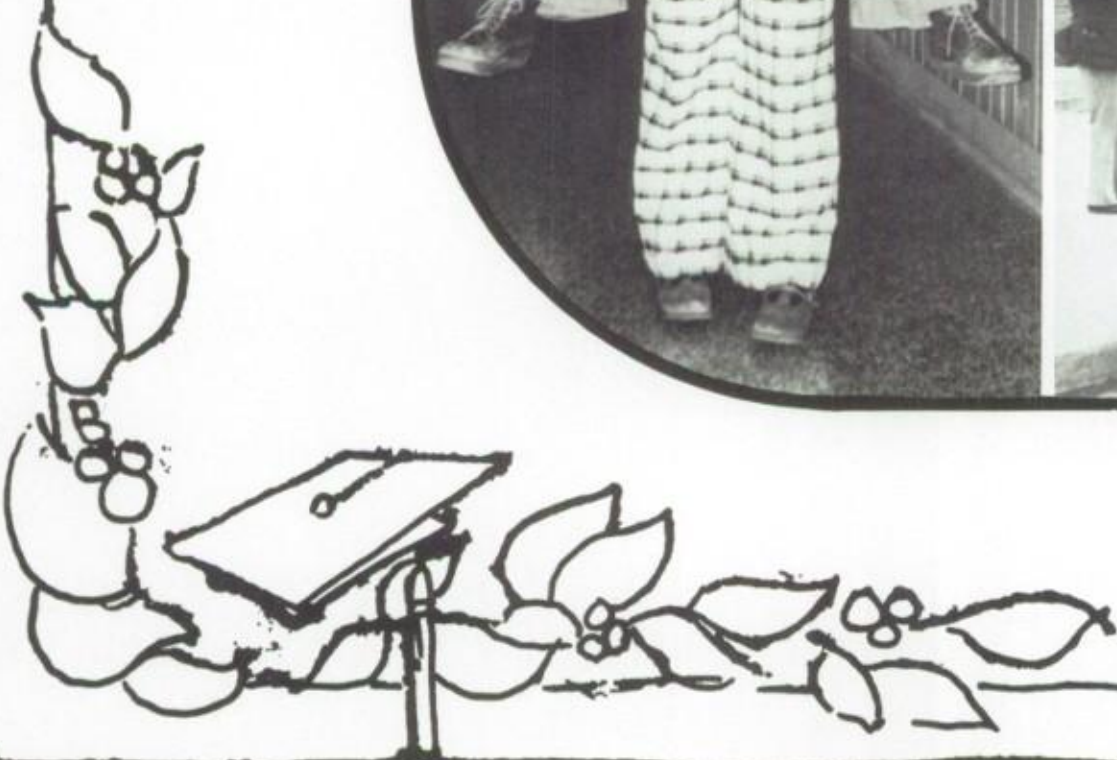

So Proudly We Hail . . .

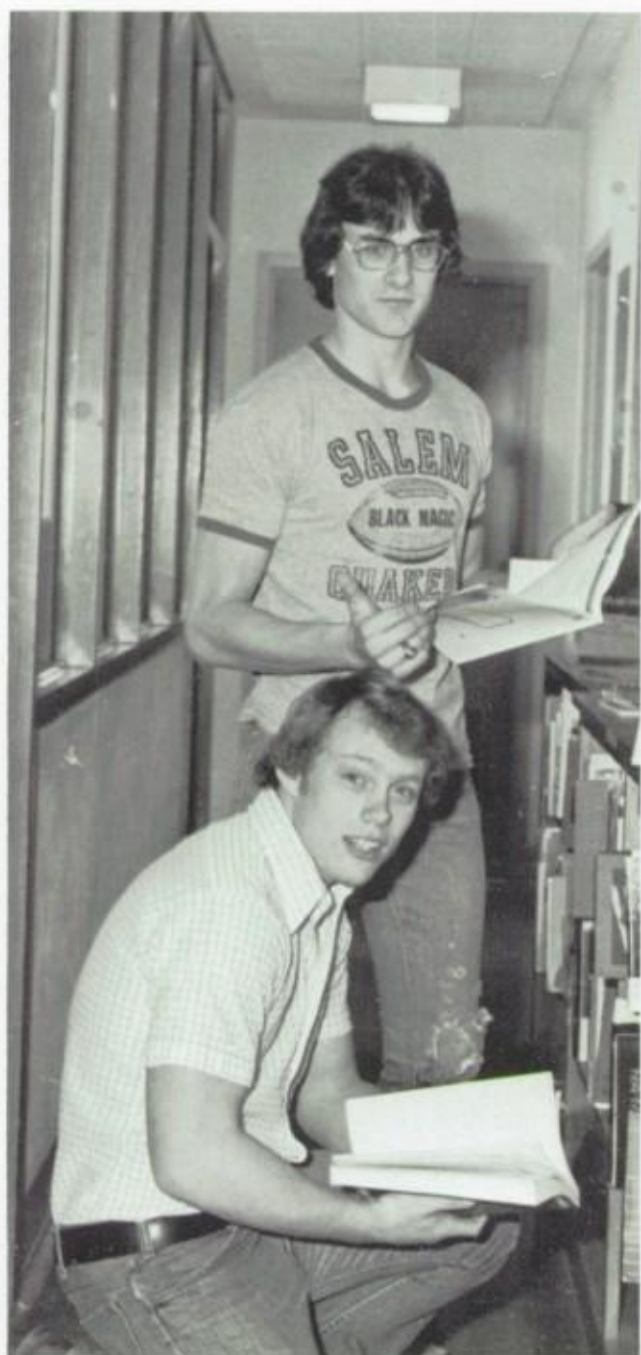

the individual, because each, in his own way, contributes something to our school, be it positive or negative. Without the individual, there would be no friends, no organizations, no athletes, no spirit, no teachers, no students, no Salem High School. The individual determines the worth of all that is.

Service with a smile

Hi-Tri devotes its time to helping those less fortunate. They donate Christmas and Thanksgiving baskets, and have a Christmas party with Key Club for underprivileged children. They conclude the year with an annual Mother-Daughter Banquet.

Student Council boasts of having a very excited and spirited group. They sponsor the Homecoming Dance, Valentine's Booth, and tried to tackle school and student problems. Student Council also was in charge of the painting of the concession stand.

Service clubs promote community activities

Both service clubs have been actively involved in school and community projects this year. Celebrating its 50th anniversary, Key Club sponsored the annual Honor Student banquet. Key Club also held a Christmas party for the underprivileged children in our community. Among other projects, Interact was very successful in selling pine and holly decorations this past Christmas. Mr. Bevington led Interact into many interesting areas of community involvement.

Students explore life in other countries

French Club, under the direction of Mrs. Arter, learns about the life of the people of France in many interesting ways. They study customs, life-styles, and traditions.

Spanish Club, the school's largest language club, annually celebrates Christmas with a traditional Pinatá. Under the direction of Mr. Montleone, they too study the ways of life, customs and traditions. They enjoyed speakers and slide shows and several parties - including a Christmas "tertulia" and an end-of-the-year "fiesta."

German Club explores language and customs

The German Club celebrated Fasching, something like a Mardi Gras, this year in full German costume. Led by Mrs. Reed the club meets on the third Monday of each month.

The well organized Library Club, under the direction of our new librarian Mrs. Simcox, has managed to keep our library in top shape. After a field trip to the Youngstown State library the club held a banquet at the end of the year.

Discovering new dimensions in mathematics

Mu Alpha Theta is an organization comprised of students who share an interest in mathematics. The club raised money for group projects by selling pens. They had their annual Christmas party, visited the Youngstown University Planetarium, and planned a year-end trip. Mu Alpha Theta is proud to say that their membership is increasing more and more each year.

Varsity "S" is comprised of athletes who have participated in varsity sports. The group was once disbanded due to lack of interest, but was reorganized in 1957 and has been going strong ever since.

Pepettes display Quaker pride

The dedicated girls that make up the Pep Club added a tremendous uplift to the spirit of our school this year. Each girl sacrificed many Monday afternoons to paint signs and decorate lockers. They also delivered "goodie boxes" and fruit to the athletes, sold "Quaker Sam" key chains and sold the very popular "red derbies." The Pepettes never failed to give our team their total support. They began early in the summer to "get psyched" and that same spirit continued throughout the year. Many times they were seen staying late at school to decorate lockers or to make goodie bags and they performed the ever-popular "hey, we're No. 1" chain at many of the games. The spunk, spirit, and liveliness of this year's pepettes helped make the year a great one!

Foreign students adapt to life at SHS

The American Field Service had an active year trying to make it possible for students from abroad and students from Salem to learn about other countries. They held two dances and sponsored the Key Club-Interact Student-Faculty basketball game. The money that was made from these activities was used to help pay our exchange student's way to a foreign country.

On May 7, A.F.S. Day was held at our school for visiting exchange students who attended other schools. Each exchange student visited classes all day and gave talks on their countries.

Active girls prepare future careers

Steno and Clerical I had a very busy year learning basic office procedures. Many members competed in the Ohio Office Education contests held in late February.

Steno and Clerical II had a very busy year also. They too competed in Ohio Office Education contests and won many awards, which qualified them to compete in state competition.

Intensive Office Education provides a well rounded educational experience for career-oriented girls. Senior girls enjoyed Work Week when each girl was placed in an actual business situation.

Girls work to improve their athletic abilities

Girls Leaders Club has opened the field of gymnastics and introduced it to the students of Salem High School. Led by Miss Stevens, the girls worked long, hard hours perfecting their skills on the gymnastic equipment. The girls hope within the next few years that Salem will be able to enter inter-scholastic meets.

The drama department of S.H.S. has produced many great plays during the past few years, and this year was no exception. The fall production of "You Can't Take It With You" was a very lively and humorous production and the children's musical, "King Arthur's Calamity," was thoroughly enjoyed by both young and old. They wound up the year with "You're a Good Man, Charlie Brown," which was another huge success. S.H.S. is very lucky to have such dedicated students, many of whom are Thespians, who are willing to spend long and tedious hours working on plays.

Audience loves performances

The lively performance of "You Can't Take It With You," was thoroughly enjoyed by the audience. The cast portrayed each role to the fullest and best of their ability. Long, hard hours combined to make a great performance.

"King Arthur's Calamity" was another delight to the audience. The dedication and total commitment of the crews and cast enabled them to give a top performance.

The Drama Department and all persons who have helped to bring these plays to life deserve a special thanks!

"Charlie Brown" is a hit

The delightful humor of the comic strip "Peanuts" was brought to life by Charlie Brown and the whole "Peanuts" gang on Friday and Saturday, April 9 and 10. It was an entertaining series of blackout skits and songs typical of the chucklesome brand of "Peanuts" comedy and proved to be delightful to young and old alike. On a new "note" this year, our choral department presented its own operetta "Trial By Jury" directed by John Cole. The Gilbert and Sullivan operetta was presented in February and was truly delightful and well-done.

Band makes fantastic improvements

This year, the band has the privilege of being able to boast of the completion of the uniform drive. Through many money-making projects, the band, along with the band parents, reached the long sought goal of obtaining enough money to buy new uniforms for the entire band.

The fruit sale held in the winter months was a big success. Band members took orders for oranges and grapefruit and delivered them at a later date. Burger Chef Day, where all the profits of one day's sales were donated to the band, was another success.

The band received a "I" at the district contest which qualified them for state competition held in May.

On May 1, the band received a "I" rating at state contest for the first time in twenty-five years. This was by far their greatest accomplishment, and one of which they can be very proud!

BAND OFFICERS, Row 1: Treasurer, Amy Cook; Secretary, Barb Shinn. Row 2: Vice-President, George Equizi; President, Bill Bentley.

Band excels again!

The band was very successful this year, mainly because there were some very dedicated people working for it. The director, the Band Parents, and the city of Salem all gave 100%, but the real effort came from the students themselves. The band officers, drum major, majorettes and color guard were all people who put in that little "extra" work in order to make Salem's band NO. 1!

Pep bands provide spirited entertainment

The Pep Band did an excellent job this year providing music at all bonfires, pep assemblies, and basketball and football games. They spent many hours practicing for special numbers to be played at assemblies and games.

New this year has been the addition of a Reserve Pep Band. Comprised of underclass boys, the Reserve Pep Band plays at all reserve games.

Students express feelings through music

Robed Choir started off their year by singing at a football game. They had a winter concert, a pop concert with the band, and performed the operetta, "Trial By Jury." They ended their year with the district competition and their annual spring concert. The Robed Choir received a "I" rating at District contest, the highest rating possible. This enabled them to go to the state contest on May 1. The Girls Glee Club also fared well at District contest by receiving a "II" rating.

The setting was a medieval castle

The Junior-Senior Prom was a very big success. The Juniors worked very hard to present this great tribute to the Seniors. The couples danced the night away to the sounds of Magnum and to the setting of "Knights in White Satin."

The White Christmas Committee presented 'Twas the Night Before Christmas, with the music being provided by MoJo. A mysterious guest appearance was made by Mr. and Mrs. Claus who gladly held the mistletoe for any awaiting couple.

Expressing oneself through creativity

Art Guild had a very busy year working on their community project. Various members painted fire hydrants throughout the city during the warm weather. Many members competed in the Scholastic Art Competition. Their year-end field trip was a trip to the Cleveland Museum of Art.

FHA started the year with their traditional get-acquainted coke party. They raised money through bake sales and car washes for their year-end trip to the State Convention in Columbus.

Delving further into scientific exploration

The Future Scientists of America started off their year with a hayride. They celebrated Christmas with a bowling party. They enjoyed a trip to the Batelle Memorial Research Institute in Columbus.

The group is comprised of students who share an interest in the field of science. Their year was highlighted by a guest speaker who spoke on the wonders and mysteries of UFO's.

The morning announcers added a great deal this year with their announcing, which was highlighted by the "Bicentennial Minute" presented each day by Jay Santee.

The AV Staff also did another excellent job this year. Headed by Mr. Bevington, they took care of the a-v equipment for the entire school, which was often a very tiring and thankless job.

Students discover importance of vocational education

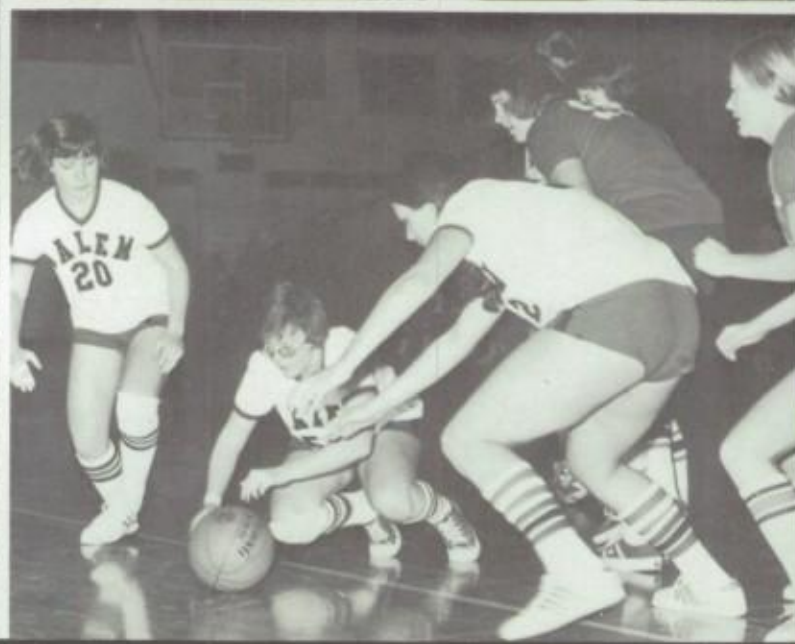

The number of students commuting to Alliance from Salem increases each year. Students are realizing that there is more than one route to take to reach their career goals.

Students are required to follow the routine of the other students that attend Alliance High School, but on most occasions, such as vacations, they follow the same schedule that Salem students do.

The Heroes

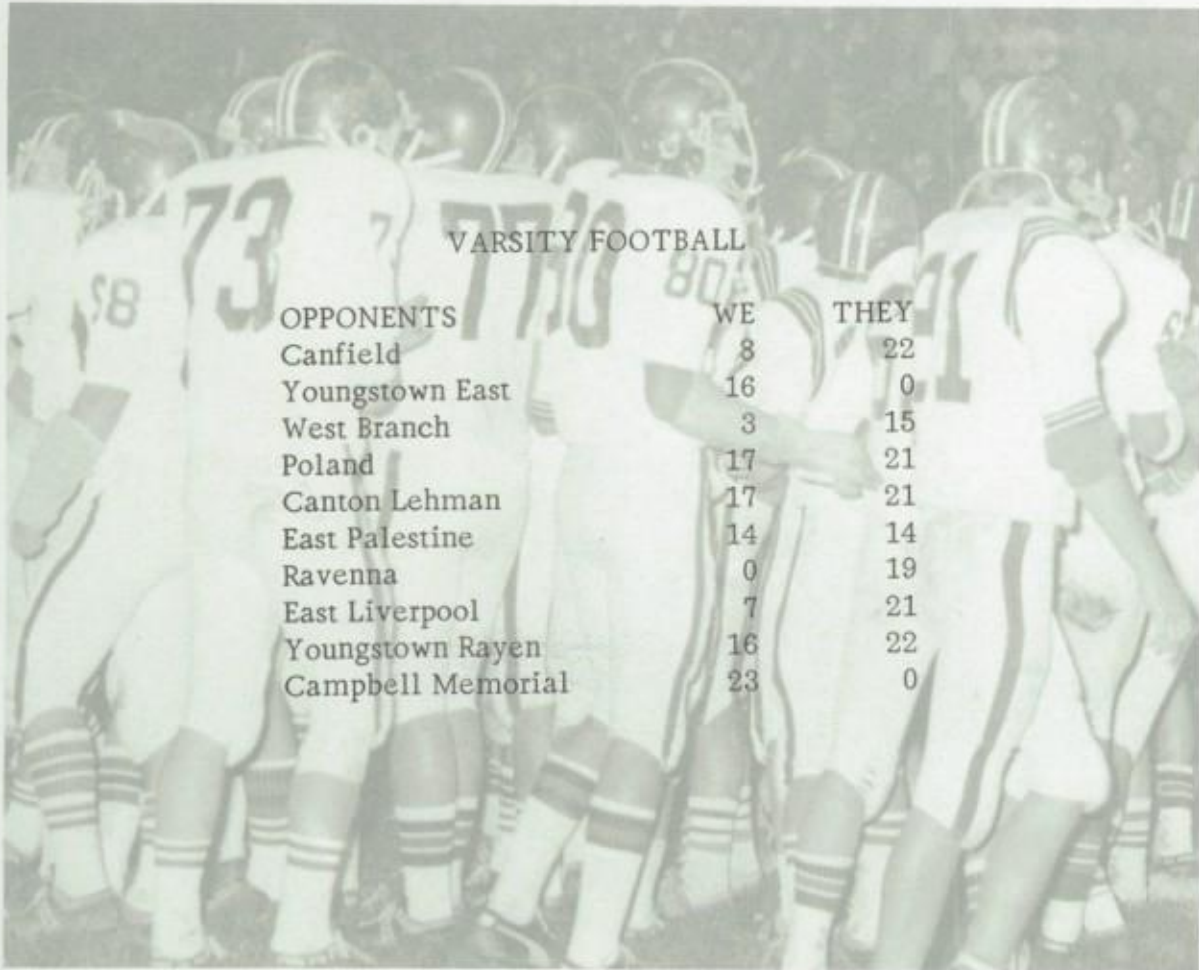

FOOTBALL

The scores that determined the outcome of the season were no measure of the actual goals that were reached within the working unit, the team itself. Behind the leadership of co-captains Bob Fisher and Mike Riffie, the team found the strength to perform, and the stamina to try their best while the chips were down. The unfaltering willpower of a losing team is the true meaning of sportsmanship, and through this attitude the team gains a relationship that erases the mistakes of the year and offers a spark of hope for the future. The reserve team closed the season with a record of 7-1. Coach Davies, with a year's experience behind him, will be better able to lead the team to a victorious season next fall.

BASKETBALL

It has been seventeen years since Salem has sent a team into Regional play, but the team of 1975-76 was an excellent representative of Salem basketball. This year's team brought many moments of excitement into the fan's hearts while the fans did the best job of supporting a team as could be asked. The boys were pressured into being as good if not better than last year's team and responded well by continuing the Salem winning tradition.

GIRLS BASKETBALL

This year, the feminine side of the basketball world took a giant leap forward. Led by seniors Nancy Borkowski and Martha Flood, the team turned in a winning 8-6 season. Although a fairly inexperienced team, the girls were able to pull off a few hard-fought upsets. The hard work of the new coaches, Mrs. Csehill and her assistant Mrs. Esposito, was a key factor to the team's success. After winning five of their last six games, the team rolled into "AAA" state tournament action, a first for girls in Ohio. The team looked impressive in the tournament, but bowed out in the second round.

WRESTLING

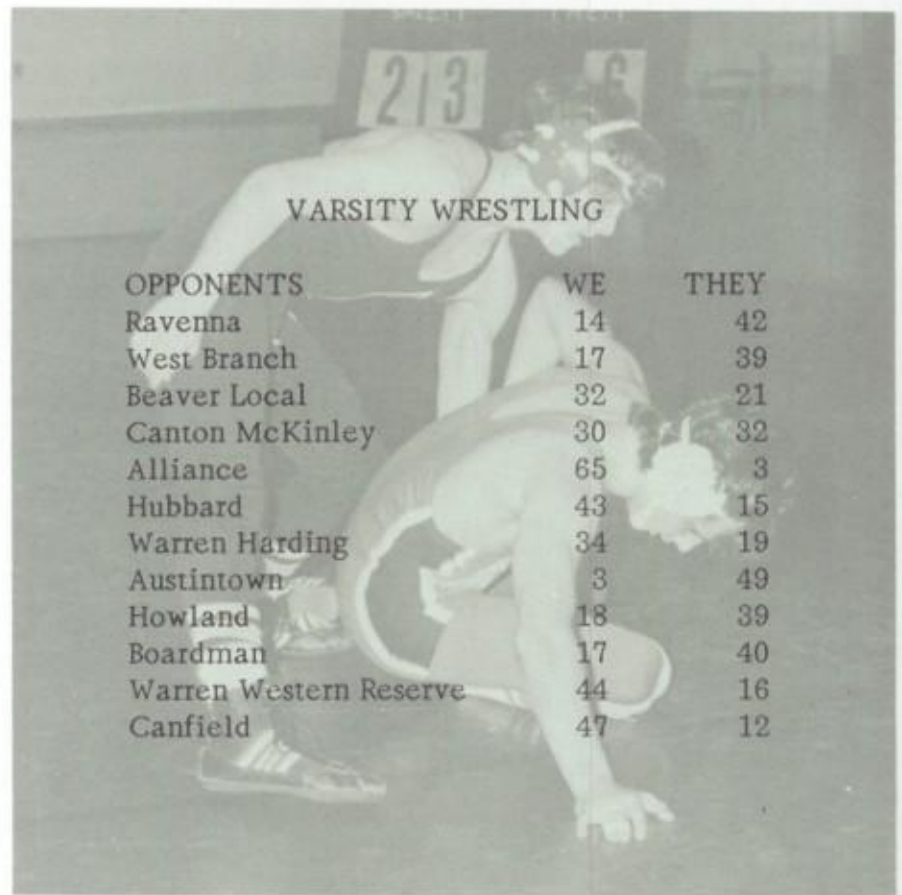

As a result of hard work, sweating, determination, togetherness, and giving that extra 110%, the Quaker Grapplers were able to grab the runner-up trophy in the tough Eastern Ohio Wrestling League tournament. The team was led by Coach Don Bennett and seniors Bob Risbeck, Kevin England, Emil Kataro, John Plegge, Don Miller, Terry McElroy, Mike Riffie, Brad Smith, and Butch Zeppernick. They proved once again they could succeed, finishing the season with an impressive 6-6 record. A Quaker first was achieved when Bob Risbeck took a first place finish in the sectional match.

BASEBALL

The baseball team started their season with a win in their new league, the Diamond Conference, and then continued on with a 14-9 overall season record and a 7-3 league record, which was good for a second place finish in the league. Seniors Mike Riffie, Mark Batcha, Rick Uptegraph, Jim Sheets, Steve Milligan and Chris Hess led the team to their second-place title which was a first for a Salem baseball team. Under the guidance of a new coach, Bill Davies, the team more than tripled its wins from last year's season, and sent four team members to the All-Star game in May.

CROSS COUNTRY

Led by Coach Mike Guappone, the Salem Cross Country team compiled an outstanding record of 17 wins and only 2 losses. The team was led by outstanding Tri-Captains Paul Hoffman, Kim Morrison and Ken Morrison. These three kept the spirit of the team moving throughout the season, in addition to the efforts of the other senior members Dave Adams, Steve DeRoads and Mike Synder. A new addition to the team this year was Kim Oriole, who was the first girl to ever compete on the cross country team in the history of Salem High School.

GOLF

The golf team this year was headed by John Foster and Kevin Guchemand. With help from Coach Tetlow the team had a winning season of 9 and 6. The Salem Golf Club hosted the home matches. The only members not to be returning to the team next season are John Foster and Jim Kerr. The potential of the remaining members of the team points toward a winning season next year.

TRACK

The Salem track team completed another winning season this year through the coaching of Bing Newton and assistant coaches Tom Fisher and Ralph Hoehn. Perhaps one of the strongest teams Salem has ever had, they again proved their dominance in the county by gaining the first place county crown. The three tri-captains Ken Morrison, Mitch Miller and Dion Treleven also helped the team to a 4th place sectional crown. Enthusiastic fans witnessed outstanding team efforts as well as individual performances. Tim Cope, senior high-jumper, broke every record in the area and placed 3rd in the state meet in May. Paul Hoffman broke the record for the mile run and also went to the state meet. Mile relay, 880 relay and pole vault records were also broken as the cindermen continued to place impressively high in area track events.

GIRLS TRACK

Determination, dedication, excellent coaching by Frank Hoopes and hard work paid off for the SHS cinderwomen who completed an undefeated season. The senior girls, who were responsible for initiating girls track back in their junior high school days, were joined by many impressive underclassmen in setting and breaking records at almost every meet.

In September, we were idealists . . .
 our goal was a perfect yearbook.
 By June, we were realists . . .
 it was not possible.
 But really, that's not the point . . .
 we tried our best, learned a
 great deal, and hopefully
 accomplished something
 worthwhile.

Joni 'n Sally

A decorative border in a light green or silver color frames the entire cover. It consists of a repeating pattern of small, interlocking loops or knots. At each of the four corners, there is a larger, more complex decorative element featuring a central floral or star-like motif with symmetrical, swirling lines extending outwards.
